COOKIE POLICY

Effective date: **27 March 2026**

Last updated: **27 March 2026**

This Cookie Policy explains how Darin s. r. o., a company established in the Slovak Republic, uses cookies and similar technologies when users access or interact with the website.

This Policy should be read together with the Privacy Policy and forms an integral part of it.

By continuing to use the website, users acknowledge that cookies may be used in accordance with this Policy.

1. What Are Cookies

Cookies are small text files stored on a user's device when visiting a website. They allow the website to recognize the device and store certain information about user preferences or previous interactions.

Cookies may be stored temporarily (session cookies) or for a longer period (persistent cookies), depending on their purpose.

Cookies do not usually identify users directly, but in some cases may be linked to personal data.

2. Purpose of Cookies

The Company uses cookies to:

• ensure proper functionality of the website
• improve user experience
• analyze website traffic and usage
• enhance performance and security

Cookies may also be used to remember user preferences and generate aggregated statistics about website usage.

3. Types of Cookies Used

The website may use the following categories of cookies:

Essential cookies
These cookies are necessary for the operation of the website and enable core functions such as navigation and security.

Analytical cookies
These cookies help us understand how users interact with the website and improve performance and usability.

Preference cookies
These cookies store user settings such as language or display preferences.

Marketing cookies
These cookies may be used to deliver relevant content or measure the effectiveness of campaigns, where applicable and where consent is provided.

4. Third-Party Cookies

The website may use cookies from third-party providers to support analytics and performance monitoring.

These may include tools such as Google Analytics or similar services.

Such providers may process data in accordance with their own privacy policies.

The Company does not control how third parties process such data.

5. Cookie Management

Users can control or disable cookies through their browser settings.

Most browsers allow users to:

• block cookies
• delete stored cookies
• manage preferences

Disabling cookies may affect website functionality.

6. Legal Basis

Where cookies involve personal data, processing is carried out in accordance with:

• Regulation (EU) 2016/679 (GDPR)
• Act No. 18/2018 Coll. on Personal Data Protection

Where required, cookies are used only after obtaining user consent through a cookie banner.

Users may withdraw consent at any time via browser settings or cookie preferences.

7. Updates to This Policy

The Company may update this Cookie Policy at any time.

Any changes will be published on the website and become effective upon publication.
