PRIVACY POLICY

Effective date: **27 March 2026**

Last updated: **27 March 2026**

This Privacy Policy explains how Darin s. r. o. collects, uses, stores, and protects personal data in accordance with applicable data protection legislation, including:

• Regulation (EU) 2016/679 of the European Parliament and of the Council (General Data Protection Regulation – GDPR)
• Act No. 18/2018 Coll. on Personal Data Protection of the Slovak Republic

This Policy applies to personal data processed through the website and any related communication with the Company.

By using this website, contacting us, or submitting information, you acknowledge that your personal data may be processed as described in this Privacy Policy.

1. Data Controller

The controller responsible for the processing of personal data is:

Darin s. r. o.
Račianska 66 B
831 02 Bratislava
Slovak Republic
Email: support@darin.agency

Hereinafter referred to as "Company", "we", "our", or "us".

The Company determines the purposes and means of personal data processing through this website.

2. Scope of Application

This Privacy Policy applies to personal data collected through:

• the Company's website
• contact forms available on the website
• email communication initiated through the website
• business inquiries and service requests
• website analytics and technical infrastructure
• marketing and communication related to the Company's services

The website is intended to provide information about the Company's marketing and creative production services.

The website is not intended for individuals under the age of 18.

3. Types of Personal Data Processed

The Company may process the following categories of personal data.

3.1 Identification Data

Such data may include:
• • full name
• • company name
• • professional role or position
This data is typically provided voluntarily through contact forms or business communication.

3.2 Contact Data

Contact information may include:
• email address
• telephone number
• communication content submitted through forms or email
This data is used for communication and responding to inquiries.

3.3 Technical and Usage Data

When users access the website, certain technical data may be automatically collected, including:

• IP address
• browser type and version
• operating system
• device type
• referral URLs
• website interaction data
• session identifiers

This data supports website functionality, security, and analytics.

3.4 Marketing and Business Inquiry Data

When users submit service requests or inquiries, the Company may process:

• project details
• requested services
• campaign objectives
• communication history

3.5 Cookies and Online Identifiers

The website may use cookies and similar technologies to collect data related to user behavior and website performance.

Further details are available in the Cookie Policy.

3.6 Sensitive Personal Data

The Company does not intentionally collect special categories of personal data (as defined under Article 9 GDPR).

Users should not submit such data through the website.

4. Purposes of Processing

Personal data may be processed for the following purposes:

4.1 Communication

• responding to inquiries
• providing service-related information
• preparing proposals

4.2 Service Provision

• preparing and delivering marketing and production services

4.3 Website Operation

• maintaining technical functionality
• ensuring security and stability

4.4 Analytics

• analyzing website usage
• improving performance and user experience

4.5 Legal Compliance

• complying with applicable legal obligations

4.6 Legitimate Interests

• protecting business operations
• preventing fraud and misuse
• ensuring cybersecurity

5. Legal Basis for Processing

Personal data is processed based on:

• performance of a contract
• legitimate interests
• legal obligations
• user consent (where required)

Consent may be withdrawn at any time.

6. Data Recipients

Personal data may be shared with selected third parties, including:

• hosting and IT providers
• analytics services
• professional advisors

All third parties process data in accordance with GDPR.

The Company does not sell personal data.

7. International Data Transfers

If personal data is transferred outside the EEA, appropriate safeguards are applied, including:

• adequacy decisions
• Standard Contractual Clauses (SCC)

8. Data Retention

Personal data is retained only for as long as necessary.

Typical retention periods include:

• inquiries — up to 24 months
• communication — up to 36 months
• contractual data — according to legal requirements

9. Data Security

The Company implements appropriate measures to protect personal data, including:

• secure systems and infrastructure
• access controls
• internal data protection procedures

10. Cookies

The website may use cookies to:

• ensure functionality
• analyze traffic
• improve user experience

Users may manage cookies through browser settings.

11. Your Rights

You have the right to:

• access your data
• correct inaccurate data
• request deletion
• restrict processing
• object to processing
• withdraw consent
• lodge a complaint with a supervisory authority

12. Supervisory Authority

Úrad na ochranu osobných údajov Slovenskej republiky
Hraničná 12
820 07 Bratislava
https://dataprotection.gov.sk

13. Third-Party Websites

The website may contain links to external websites.

The Company is not responsible for their content or privacy practices.

14. Changes to This Policy

This Privacy Policy may be updated at any time.

The latest version will always be available on the website.
